ABOUT OUTDOOR CRAFT

From Our Factory to Your Outdoor Sanctuary.

Outdoor Craft is the premier outdoor furniture brand by Metro Furniture, a distinguished manufacturer with over a decade of expertise in crafting ergonomic, high-performance furniture.

Located on Bannerghatta road, Bangalore, our state-of-the-art facility is not just a workshop—it is where engineering meets art. Unlike traders who import generic designs, we are an ISO, BIFMA, GREEN GUARD & ZED certified manufacturer.

Every swing, sofa, and dining set is precision-engineered on our own factory floor to withstand the unique demands of the Indian climate.

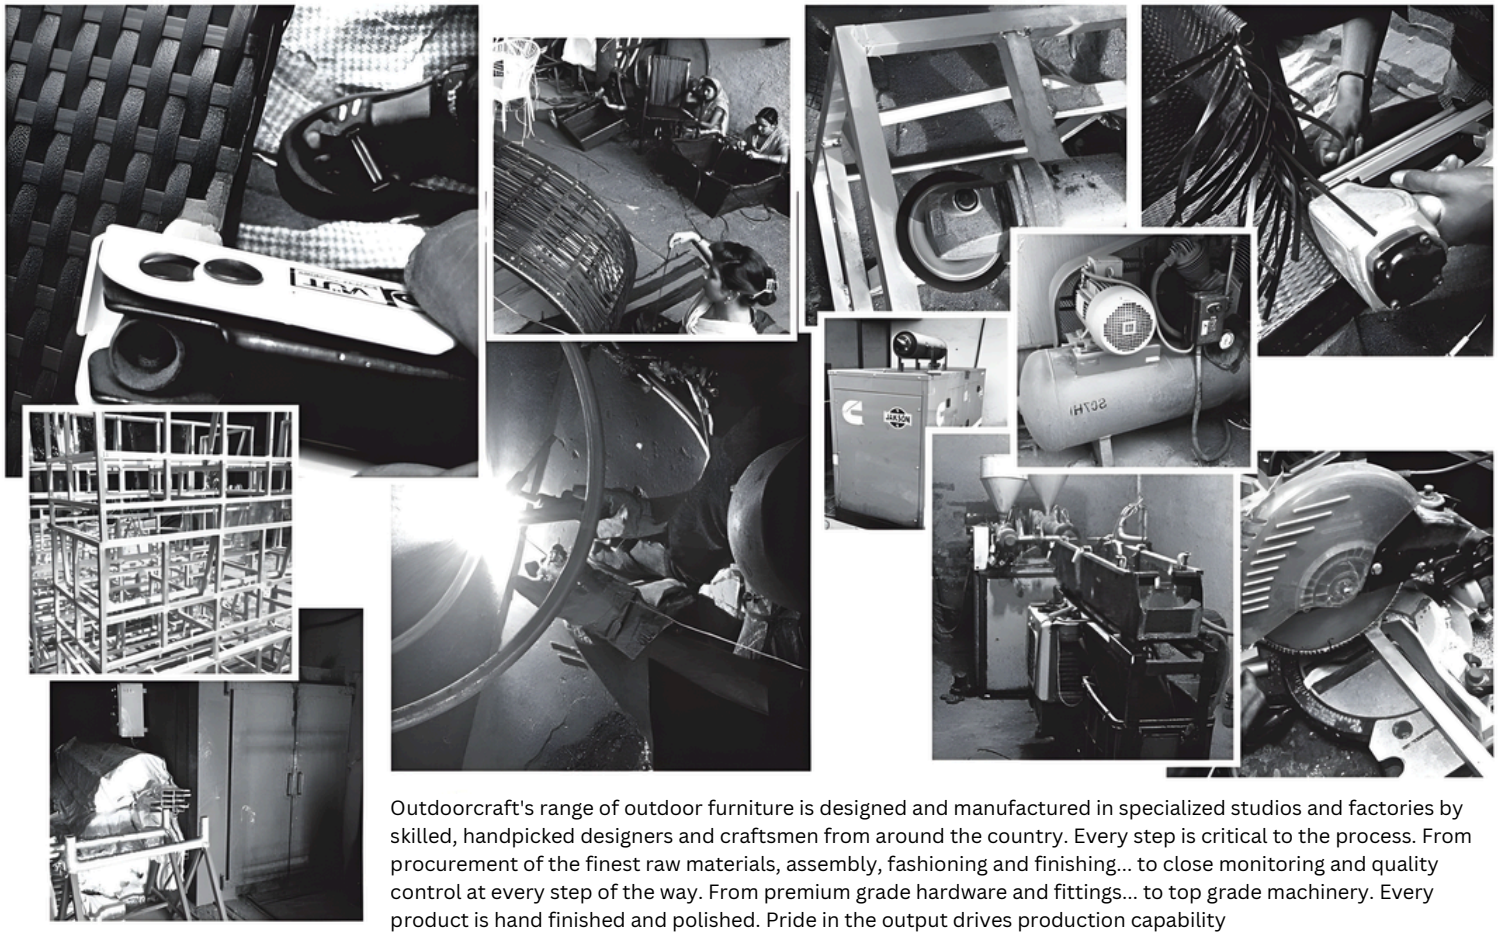
Our Philosophy: Uber-Luxury Meets Durability

We believe outdoor furniture should be as refined as your indoor living space. Outdoor Craft unveils a new language of design, blending the finest strands of High-Density Polyethylene (HDPE) Wicker, UV-Protected Ropes, and Architectural-Grade Aluminum & Iron.

Our collection elevates your balcony, garden, or poolside with a perfect dose of luxury. Whether it is a sun-soaked breakfast or a starlit dinner, our furniture sets the stage for life's best moments.

The Factory Direct Advantage. Why pay showroom markups?

- **Direct from Manufacturer:** No middlemen, no commissions. You get export-quality furniture at honest factory prices.
- **Customization:** Since we build it, we can customize it. Choose your rope color, fabric shade, and frame finish to match your home's aesthetic.
- **Global Material Partners:** We collaborate with the world's best material suppliers—including Rehau, Viro, Sunbrella, and Serge Ferrari—to ensure your furniture resists sun, rain, and dust for years to come.



Outdoorcraft's range of outdoor furniture is designed and manufactured in specialized studios and factories by skilled, handpicked designers and craftsmen from around the country. Every step is critical to the process. From procurement of the finest raw materials, assembly, fashioning and finishing... to close monitoring and quality control at every step of the way. From premium grade hardware and fittings... to top grade machinery. Every product is hand finished and polished. Pride in the output drives production capability
